21. Sthree Mela is a vision developed by a diversified group of Sri Lankan women who have come together to document, appreciate and celebrate women and girls of this nation. Over the century’s women have played a significant role in the economic, social, cultural, political and human development in the country. Women have made remarkable contributions to and shown their capabilities through many achievements in different fields locally and globally. We had a series of regional and mobile exhibitions and a gala one for three days in Colombo.
